

AcreAtlas — Cookie Policy

Version 1.1 · Effective date: 6 August 2026 · Contact: info@acreatlas.eu

AcreAtlas is operated as a sole proprietorship trading under the names AcreAtlas / AkkerAtlas, registered with the Dutch Chamber of Commerce under number 99197081.

1. What are cookies

Cookies are small text files placed on your device when you visit a website. They help the website remember your preferences and understand how you use it. We also use similar technologies such as browser local storage and session tokens — where this policy says "cookies", we mean all of these.

2. What we place on your device

Category	Name / provider	What it does	Consent required?	Retention
Strictly necessary	__session (AcreAtlas)	Keeps you logged in. The Platform cannot function without it.	No	Session
Strictly necessary	admin_session (AcreAtlas)	Support-staff session for the admin console. Placed only for AcreAtlas support personnel, never for customers.	No	8 hours (configurable)
Strictly necessary	cookie_consent (AcreAtlas, browser local storage)	Remembers that you have seen and answered the cookie notice, so we do not show it again.	No	Until you clear your browser storage
Analytics	None	We do not use analytics cookies or any analytics service.	N/A	N/A
Marketing / third-party	None	We do not use advertising, tracking, or social-media cookies.	N/A	N/A

We do not place any cookie that requires your consent. The notice you see on your first visit is informational — it tells you what is stored and why.

3. Your choices

Because every item above is strictly necessary for the Platform to work or to keep it secure, there are no optional cookies to switch off. Declining the notice does not place any additional storage; it also cannot remove the session cookie, because without it you cannot stay logged in.

If we ever introduce analytics or any other non-essential cookie, we will change this notice into a genuine opt-in choice before placing it, and update this policy.

4. Controlling cookies in your browser

Most browsers let you block or delete cookies and site data through their settings. Doing so for acreatlas.eu will log you out and may stop parts of the Platform from working.

- **Chrome** — Settings → Privacy and security → Cookies and other site data
- **Firefox** — Settings → Privacy & Security → Cookies and Site Data
- **Safari** — Settings → Privacy → Manage Website Data
- **Edge** — Settings → Cookies and site permissions

5. Updates to this policy

We update this Cookie Policy whenever we add or change what we store on your device. The current version is always at acreatlas.eu/cookies. For any change that introduces a non-essential cookie, we will show the notice again and ask for your consent first.

6. Contact
